### 1 WCS IRKUTSK AND TIMETABLE

The COVID-19 situation in the world (government decisions, travel possibilities, insurance etc) forced the Technical Committee to the following decisions.

1. World Championships Group A in Irkutsk moved to October 2022.  
Participating teams to be determined.
2. All FIB sanctioned competition activities are cancelled and forbidden until 31 December 2021. New dates to be determined.
3. World Championships Girls Y17 probably moved to February 2022. The age group will be the same, born 2004 or later.
4. Invitation to FIB tournaments will be sent out in September (but continuation of the tournaments depends on the COVID-19 situation).
5. All participants (players, leaders, referees etc) to FIB sanctioned tournaments must have a digital COVID certificate (recent negative test result, proof of vaccination or proof of recovery). Federations can decide to accept only participants who are fully vaccinated.

Decisions to be confirmed by FIB EC.

Next online meeting: Wednesday 15 September 2021 14:00-15:00 CET.

End of meeting.
