

FIB Anti-Doping Committee meeting

**11 May 2026, 11:00 CET
Online**

MINUTES

1. Opening of the meeting

Hakan Nyberg opened the ADC meeting and welcomed the members of the Anti-Doping Committee

2. Roll Call

Hakan Nyberg	Chair
Peter Rönnerfalk	Member
Attila Adamfi	Vice President & General Secretary
Ildikó Barczy	Anti-Doping & Operations Manager

Not present:

Axel Lust Dr.	Member
---------------	--------

3. Present testing status compared to TDP

Ildikó Barczy presented the testing statistics for the first quarter of 2026, which aligned with the planned distribution. They also reviewed the Declaration of Medication Supplements report for this period.

*- See internal *Appendix 1*

4. FIB TUE Case

The group reviewed a TUE case.

5. 2027 WADA Code

The ADC discussed updates to FIB's Anti-Doping Regulations in light of the new WADA Code, which will come into force on 1 January 2027. Hakan Nyberg outlined the key focuses of WADA's regulatory updates.

Attila Adamfi will follow up with ARIFS and International Testing Agency to coordinate the necessary changes.

*- See internal *Appendix 2*

6. The principle of automatic recognition of NADO TUEs

Hakan Nyberg recommended maintaining the current automatic recognition process and the group accepted this recommendation.

7. Risk Assessment (RA) 2026-2027

The ADC reviewed the draft Risk Assessment for the 2026–27 season and discussed the changes compared to previous years, which will serve as the basis for the 2026–27 season TDP.

Hakan Nyberg took note of the comments made and will circulate a new draft and a corresponding TDP, for further comments or acceptance, out of session.

- See internal **Appendix 3*

8. Next online meeting:

September 2026

9. Closing of the meeting

Hakan Nyberg thanked the members for their participation and closed the meeting.

Hakan Nyberg
ADC Chair
