

To the Annual Congress of the Federation of International Bandy.

I have had good contact with Attila Adamfi regarding accounting for 2021/2022. This is an accounting where the board and GS inherit from the previous GS and board of directors. We are therefore in a transitional phase that we must quickly get through.

I have read the external auditor's report and I agree with his observations. Not least with regard to outstanding receivables that must always come into focus.

I look forward to working with the new GS and new board. It hasn't always been easy to get information out, but expect this is behind us now.

Best regards
